

2014 Malbec Reserve

The 2014 Malbec Reserve was made in the style of Mendoza, Argentina Malbecs with a rich tannic structure and a balanced flavor profile. We blended our own Estate grown grapes in Stonewall, Texas with Malbec from Jet Wilmeth's vineyard in Tokio, Texas up in the High Plains. This vintage was aged over two years in new American Oak barrels. This rich and complex wine contains essences of coffee, dark chocolate, cinnamon, and ripe plums. The finish lingers on your palate with an earthy tone of smoky toasted oak. The wine displays a silky texture with a bold flavor profile.
