

2015 Texas Tempranillo

Our 2015 Texas Tempranillo is a blend of 5 different outstanding Tempranillo vineyards from both the High Plains of Texas, as well as the Texas Hill Country.

The Tempranillo is fruit forward with a body and structure underpinned by ripe tannins. Layers of developed fruit come forward with a deep floral nose. Dark, rich notes of earth and tobacco dominate the nose when first opened. These notes soften into mild cooking spices and red fruits within a few minutes of “breathing.”

With plenty of lift in the body to carry the flavors of dried cherries, herbs and spices, this wine gives way to notes of black pepper, coffee and toasted oak. Intriguingly sublime floral notes, herbs, oak and coffee on the finish. The Tempranillo will lay down for an easy 5 years, or drink now if the perfect meal is beckoning.

VARIETAL COMPOSITION

Tempranillo

ON THE NOSE
