

2015 Sauvignon Blanc

Here we have the bigger than life Texas version of Sauvignon Blanc. This white wine is full, rich and ready for even the toughest of red wine drinkers! Our vines are over 20 years old and producing a near perfect white Bordeaux wine. It displays high notes of tropical fruit, lime, and has the perfume of white rose and apple. This wine is perfect chilled on the porch for a Texas Sunset, but be careful it may be just perfect enough to last until sunrise! This wine was fermented in French oak as well as in cold tank, aged for 9 months prior to bottling. In summation this wine is a crisp, fruit forward dry white wine great for all occasions.
